

SHOE STORY

Let midnight be
damned, I want to
dance. Stylish moves,
flirtatious glance. Boldness
kindled, nothing to lose, savor
the moment, in my favorite shoes.

Through childhood fantasy, anger,
grief, my shoes reflect my life's motif.

The heel, the style, the open toe, have
shaped the life I cherish so. When seasons
pass and shadows fall, fond memories I will
re-call, re-live and treasure with smile sweet,
knowing what was on my feet. Beyond the
glitter and the glam, career, promotion and
handsome man, grounded, centered, spirit new
I walk on air in my favorite shoes. The End
